Cleaning material	
--------------------------	--

Others / remarks :

Legal directives :

According to legal obligations and for our staff safety and workshop protection, it is necessary to send with the equipment this certificate to declare the decontaminating procedures have been applied before shipment.
 Your responsibility will apply in case of non-respect of proper operations.

DECLARATION: I hereby declare that the returned equipment has been carefully cleaned and disinfected. It remains free of residues of harmful / toxic substances.
